## I Just Want You

## **Ozzy Osbourne**

There are no unlockable doors, there are no unwindable wars There are no unrightable wrongs or unsingable songs There are no unbeatable odds, there are no believable Gods There are no unnameable names, shall I say it again, yeah? There are no impossible dreams, there are no invisible seams Each night when the day is through I don't ask much I just want you I just want youThere are no uncriminals crimes there are no unrhymable rhymes There are no identical twins or forgivable sins There are no incurable ills there are no unkillable thrills One thing and you know it's true I don't ask much I just want you I just want you I just want you I just want youI'm sick and tired of begin' sick and tired I used to go to bed so high and wired, yeah Yeah, yeah, yeah I think I'll buy myself some plastic water I guess I should have married Lennon's daughter, yeah Yeah, yeah, yeahThere are no unachievable goals there are no unsaveable souls No legitimate Kings or Queens do you know what I mean, yeah There are no indisputable truths and there ain't no fountain of youth Each night when the day is through I don't ask much I just want you Yeah, yeah, yeah I just want youI just want you Hey, yeah I just want you Yeah, yeah, yeah I just want you, hey I just want you I just want you I just want you
