

Excessive Reaction

Nonpoint

Gotta get from a
Point of pressure, to a
Point of no return, to
Turn me inside out
Brother, please
Tell the others, please
There are others
That don't know
About theseStanding
Responses
Failing
The answers
Screaming
So foreign
Excessive
Reaction
Bouncing off walls
Where the pictures hang
The last ones that
Made them fall before
Taking it all
With a grain of salt
And a bitter sweet
Memory of theseStanding
Responses
Failing
The answers
Screaming
So foreign
Excessive
Reaction
Insane and bottled in
Explain the state I'm in
Your electric pulse can't ail my sin
Explain the state I'm inNot so lost
Not so fast
Not reacting
Not so
Not the pause
Not the past
Not reacting
Not soGotta get from a

Point of pressure, to a
Point of no return, to
Turn me inside out
I know my answers
Don't meet your satisfaction
But they cause your reaction
Excessive reaction
Excessive reaction
Excessive reaction
Excessive reaction
From you
