

Games

Caroline Romano

Does anybody have to lose
Does anybody need to win
I don't care as long as I get you in the end I don't need to be right
And you don't have to be wrong I don't care
I promise that I'll still play along This love's a game.
We were born to play
Games. Aah.
We were born to play.
Games. Aah. Aah.
We were born to play
It should never be this hard
Shouldn't ever feel this far apart
When it feels this good
Let it feel like it should Slow down. Take a breath
Press pause. Just a little rest.
'Cause nobody's chasing us.
Nobody's chasing us. Does anybody have to lose
Does anybody need to win
I don't care as long as I get you in the end I don't need to be right
And you don't have to be wrong
I don't care I promise that I'll still play along This love's a game.
We were born to play
Games. Ooh.
We were born to play
Games. Ooh. Ooh.
We were born to play
Games. Ooh.
We were born to play.
Games, games, games, games
We were born to play I can see that you need the fight
I can tell you gotta take your time
I want you to know. That I don't wanna go.
Slow down. Take a breath.
Press pause. Just a little rest.
'Cause nobody's chasing us.
Nobody's chasing us. Does anybody have to lose
Does anybody need to win
I don't care as long as I get you in the end I don't need to be right
And you don't have to be wrong
I don't care I promise that I'll still play along This love's a game.
We were born to play
Games. Ooh.

We were born to play
Games. Ooh. Ooh.
We were born to play
Games. Ooh
We were born to play
Games, games, games, games.
We were born to play
Games.
