

Fall Back 2U

Chromeo

Let's find the feeling once again
Cause maybe you and I just can't be friends
Let's ride the freeway 'til the end
When loving is so good you can't pretend I know I left you hanging
But I'ma right my wrongs
I'ma write you love letters
Like I wrote this song
Gonna put a plan together
Gonna put it all in motion
Every single thing I gotta do
To fall back to you You ought to know I had a lot, a lot, a lot, a lot on my mind, oh yeah
But it's never too late to try
Let's finally figure it out
If there's a problem we can air it out
I can't stand to be in a relationship when it stops
If we hit a wall, then watch
That could give us something to talk about
I could be there to catch the ball when it drops I know I left you hanging
But I'ma right my wrongs
Gonna write you love letters
Like I wrote this song
Gonna put a plan together
Gonna put it all in motion
Every single thing I gotta do
To fall back to you You ought to know I had a lot, a lot, a lot, a lot on my mind, oh yeah
But it's never too late to try It's never too late to try...
It's never too late to try
I never wanna make you cry
Our love's too great to attenuate
So let's not say goodbye You ought to know I had a lot, a lot, a lot, a lot on my mind, oh yeah
But it's never too late to try Ooh, a lot on my mind, oh yeah
But it's never too late to try
