Take It On the Run

REO Speedwagon

Heard it from a friend who Heard it from a friend who

Heard it from another you been messin' around

They say you got a boyfriend

You're out late every weekend

They're talkin' about you and it's bringin' me downBut I know the neighborhood

And talk is cheaper when the story is good

And the tales grow taller on down the line

But I'm telling you, babe

That I don't think it's true, babe

And even if it is, keep this in mind

You take it on the run, baby

If that's the way you want it, baby

Then I don't want you around

I don't believe it

Not for a minute

You're under the gun

So you take it on the runYou're thinking up your white lies

You're putting on your bedroom eyes

You say you're coming home but you won't say when

But I can feel it coming

If you leave tonight, keep running

And you need never look back again

You take it on the run, baby

If that's the way you want it, baby

Then I don't want you around

I don't believe it

Not for a minute

You're under the gun

So you take it on the run Take it on the run, baby

If that's the way you want it, baby

Then I don't want you around

I don't believe it

Not for a minute

You're under the gun

So you take it on the runTake it on the run, baby

If that's the way you want it, baby

Then I don't want you around

I don't believe it

Not for a minute

You're under the gun

So you take it on the run
