

Melancholy Christmas

Amy Grant

I post another picture
from the quiet of my room
and wonder who'll like it
and wonder what to do
With the rest of tonight
And tomorrow tonight too Christmas is coming soon
Coming soon Maybe I'll call up some friends
Just to see if they're home
I don't want to feel lonely
But I'm here alone And the snow falls down
Coming down
(Merry Christmas)
You could come over
(Merry Christmas)
It's not too late
(Merry Christmas)
Don't worry 'bout presents
(Merry Christmas)
I've saved you a place (Merry Christmas)
Light a few candles
(Merry Christmas)
And sing Christmas songs
(Merry Christmas)
Everybody
(Merry Christmas)
Needs a place to belong
(Merry Christmas)
It's Christmas
(Merry Christmas)
If you feel lonely
(Merry Christmas)
I feel it too
(Merry Christmas)
If nobody's said it
(Merry Christmas)
I'm wishing you Merry Christmas
Merry Christmas
Merry Christmas
Merry Christmas
Merry Christmas
Merry Christmas
