

# When I Fall In Love

Chris Botti

When I fall in love  
It will be forever  
Or I'll never fall  
In love In a restless world like this is  
Love is ended before it's begun  
And too many moonlight kisses  
Seem to cool in the warmth of the sun When I give my heart  
It will be completely  
Or I'll never give  
My heart And the moment I can feel that  
You feel that way too  
Is when I fall in love with you  
And the moment I can feel that  
You feel that way too  
Is when I fall in love with you
