

# Don't Think Twice

David Ball

If you ever think of coming back, don't think twice  
Catch the next bus leaving, take my advice  
'Cause the door is always open, just walk on through  
There'll always be somebody, waiting here for you Darling, ever since you left for San Antonio  
This old house is anything, but home sweet home  
I wonder, if you're happy now or sad like me  
Living in the shadows of what used to be If you ever think of coming back, don't think twice  
Catch the next bus leaving, take my advice  
'Cause the door is always open, just walk on through  
There'll always be somebody, waiting here for you  
You don't have to worry, if I still love you  
Just give me a second chance, I'll prove I do  
Didn't take my heart too long to realize  
I was such a fool to let you say goodbye  
If you ever think of coming back, don't think twice  
Catch the next bus leaving, take my advice  
'Cause the door is always open, just walk on through  
There'll always be somebody, waiting here for you Yeah, the door is always open, just walk on  
through  
There'll always be somebody, waiting here for you
