

# Million Dollar Bill

## Whitney Houston

Oh, oh yeah

Oh, oh

Came in the door, checked in my coat

And who I'm looking for is staring in my face, oh They played our song, we hit the floor  
He held me strong, and we danced the night away, oh I can see the way that he's making me feel

This way about his love

I've been looking for something like this

I'm singing oh

If he make you feel like a million dollar bill

Say oh, oh, say oh, oh Makes you go left, right, up, down

Got you spinning round and round

Say oh, oh, say ah, baby

It's been a long, long time

Since I felt that love has found my way, oh I've been looking, I've been searching  
For the man to touch this place, oh yeah Can't deny the way that he's making me feel

This way about his love

I've been searching for something like this

I'm singing oh If he make you feel like a million dollar bill

Say oh, oh, say oh, oh

Makes you go left, right, up, down

Got you spinning round and round

Say oh, oh, say oh, oh If he make you feel like a million dollar bill

Say oh, oh, say oh, oh

Makes you go left, right, up, down

Got you spinning round and round

Say oh, oh, say ah, baby

If you feel good, if you're feeling good

Put one hand in the air, say yeah

If you feel good, if you're feeling good

It's 'cause love is in the air, oh yeah

If he make you feel like a million dollar bill

Say oh, oh, say oh, oh

Makes you go left, right, up, down

Got you spinning round and round

Say oh, oh, say oh, oh If he make you feel like a million dollar bill

Say oh, oh, say oh, oh

Makes you go left, right, up, down

Got you spinning round and round

Say oh, oh, say ah, baby

Oh, if he makes you feel, oh, if he makes you feel

Go on and say, go on and say

Oh, if he makes you feel, oh, if he makes you feel

Go on and say ah, baby
