

I Can't See Nobody

Bee Gees

I walk the lonely streets, I watch the people passing by
I used to smile and say hello, I Guess I was just a happy guy
Then you happened girl, This feeling that possesses me
I just can't move myself, I guess it all just had to be I can't see nobody... no I can't see nobody
My eyes can only look at you. I used to have a brain, I used to think of many things.
I watched the falling rain and listened to the sweet birds sing.
Don't ask me why, little girl. I love you and that's all I can say.
You're ev'ry, ev'ry breath I take. You are my nights; my night and day.
I can't see nobody... no, I can't see nobody.
Mine eyes can only look at you... you. Every single word you hear... is coming from this heart
of mine.
I never felt like this before... a love like yours so young and fine.
And now as I try to forget you... it doesn't work out any way.
I loved you such a long time ago... but in my eyes you'll always be.
Every single word you hear... is coming from this heart of mine.
I loved you such a long time ago... don't know why...
And I don't know why... baby...
I can't see nobody... no, I can't see nobody.
Mine eyes can only look at you... you.
I can't see nobody... no, I can't see nobody.
Mine eyes can only look at you... you.
