Workhorse

My Brightest Diamond

Somewhere sunshine burns A dark but common horse When he fell by the wayside No one seemed to notice him'Cause you're no good to us Lost all your youth And all of your usefulness And you know thatNo good to us Lost all that you could To a no, no, no, no No good to us Lost all your lost all your youthfulness And left with a precious little good Good to us lost all that you could To a no, no, no, no... Bring me the workhorse Bring me the no good workhorse'Cause you're no good to us Lost all your youth and all of your usefulness And you know that No good to us Lost all that you could To a no, no, no, no...No good to us Lost all you youth all of your usefulness And who told you No good to us Lost all that you could as a workhorse You're no good to us Lost all your youth all of your usefulness And who told you No good as a workhorse
