

Let's Shake Hands

The White Stripes

Yeah
Oh
Lets shake hands
Oh
Baby lets shake hands
Well theres something here in the air
Jump up and let me know when youre there
Baby lets shake hands
Oh
Lets be friends
Oh
Baby lets be friends
I cant come up with a better plan
Put your fingers in my hand
Baby lets be friends
Yeah
Oh
Say my name
Oh
Baby say my name
Well you can do what you want to do
Throw it in the garbage can
But just say my name
Yeah
Yeah
