Let's Shake Hands

The White Stripes

Yeah

Oh

Lets shake hands

Oh

Baby lets shake hands

Well theres something here in the air

Jump up and let me know when youre there Baby lets shake hands

Oh

Lets be friends

Oh

Baby lets be friends

I cant come up with a better plan

Put your fingers in my hand

Baby lets be friends

Yeah

Oh

Say my name

Oh

Baby say my name

Well you can do what you want to do

Throw it in the garbage can

But just say my name

Yeah

Yeah
