Cupid (Shot Me Straight Through My Heart)

[Marsha Ambrosius](#)

So beautiful, I see you
Oh, I believe you are
The beautiful-lest I ever saw
Why do I fall in love and
Each and every time
Ooh, you steal my heart
Cupid shot me straight through my heartCupid shot me straight through my heart
Cupid shot me straight through my heart
Cupid shot me straight through my heart
Cupid shot me straight through my heartHeaven must've sent me an angel
I lost myself but your love I have found, yeah
I never knew that I could feel this feeling
The way I feel right now
Butterflies inside
So beautiful, your smile
I thought this love had died, and you revived
Cupid shot me straight through my heartSo beautiful, I see you
Oh, I believe you are
The beautifullest I ever saw
Why do I fall in love and
Each and every time
Ooh, you steal my heart
Cupid shot me straight through my heartI look up at the sky from way down low here
I had to find my way with you somehow
Yeah, there's no perfect time but I'm so ready, yeah
I'm ready for you now
Butterflies inside
So beautiful, your smile
I thought this love had died, and you revived
Cupid shot me straight through my heartSo beautiful, I see you
Oh, I believe you are
The beautifullest I ever saw
Why do I fall in love and
Each and every time
Ooh, you steal my heart
Cupid shot me straight through my heartCupid shot me straight through my heart
Cupid shot me straight through my heart
Cupid shot me straight through my heart
Cupid shot me straight through my heartI can hear your call
Don't wanna be all alone
Just catch me when I fall
I didn't wanna fall in love

Now I'm so in love with you
I don't know what to do
I can't be scared of you
I'm so in love with you
I'm so in love with you
Babe, so in love with you
So in love
