

# You Don't Know Jack

Luke Bryan

He asked me for a dollar  
I said go get a job  
And I turned up my collar  
and started walking off  
He said I don't blame you  
I know what you think  
I'll just take your money  
to buy another drink But you don't know Jack  
Double shoot  
80 proof  
On the rocks  
until you've lost it all  
And you can't go back  
To your life  
And your kids  
And your ex-wife  
With just a telephone call  
If you think is just a bottle  
In an old brown paper sack  
Then you don't know Jack  
And he showed me a picture  
Of two little girls  
wearing Easter dresses  
Hair done up in curls  
He said God bless their mama  
She said I couldn't stay  
Buddy if you were wondering  
how could I throw it all away? But you don't know Jack  
Double shoot  
80 proof  
On the rocks  
until you've lost it all  
And you can't go back  
To your life  
And your kids  
And your ex-wife  
With just a telephone call  
If you think is just a bottle  
In an old brown paper sack  
Then you don't know Jack  
If you never felt a fire  
Running through your veins

If you've never seen the devil  
Face to face  
You don't know Jack  
Double shoot  
80 proof  
On the rocks  
until you've lost it all  
So brother just be glad  
And tonight  
Hold your kids  
kiss your wife  
And when you talk to God  
Count up all your blessings  
And thank the Good Lord back  
You don't know Jack  
No you don't know Jack
