

Dirty Work (feat. Lil Dicky)

Marko Penn

Used to know a girl name Tina
Had two kids & a ni gga, well
She aint really need him
Worked so hard to get the best
She gon' do whatever for a check, yeah

Chorus

She gon' do the dirty work
She gon' do the dirty work
She gon' do the dirty work
She gon' do the dirty work
Dirty, dirty, dirty work
Ah yeah, ahhh yeah

Used to know a girl name Keesha
Took my heart & she left it by the pole in pieces
Keesha had a whole lotta ass
Told me to call her when I get enough cash, so

Chorus

She can do the dirty work
She gon' do the dirty work
She gon' do the dirty work
She gon' do the dirty work
Dirty, dirty, dirty work
Ah yeah, ahhh yeah

Used to love a girl name Kim
Got no kids & a ni gga, well
She can't really keep him
Can't find love in the club
And she rather get love from a thug, so

The only other shit that I been kissing is my lip balm

And rumor has it that vagina fuck with lil dicky
So what you tryna do, I gotta condo with a pool

Sweeter than some hot fudge
You should probably meet me at the spot cause it be going down like a stock does Got drugs,
