## Tell Me More (Sonyae Elise)

## Havoc

Uhh, yeah Yeah, she lookin' right over there Mmm My neck, my fingers and my wrist Don't make me empty a clip Get a bottom upset and that's it Make a toast with my dough, take a sip Plenty cross on the kush, get lit Talk, phone me up, do it up, take flicks Look at you so grown and sexy Pool three, yeah, you top pedigree So pretty and full of energy Ass fat lookin' like need to be friend of B Relax ma, I'm a QB rider Anything pop off, trust me, it's minor Provider, hold you down real well No stress, no chicks caught in a cell Keep you so fresh that it'll never go stale You in-house inbox like e-mail, yeah Ooh, I think I'm gonna like this, baby Come and tell me more, tell me more And when you said do it, know you can live up to it Now here's your chance to prove it I'm listenin', tell me more Ice snub, damn silhouette Get it wet, I ain't even kill it yet You about the gettin' freaky with a strange Jodeci and Sade in the change Little nasty somethin', tongue on my fingers Let me be your personal trainer Hey ma, let's get it in, get your weight up Wanna see how good you look without makeup Livin' real sick, big with a city view Mess around we can make a home video Late night, uncut, ass clap Blow cloud, take a pull, pass that Eyes low, break day Forgot about tomorrow, where's V.A. I know, can't stay Ma, make an excuse, come back out to play, hey Ooh, I think I'm gonna like this, baby Come and tell me more, tell me more

And when you said do it, know you can live up to it Now here's your chance to prove it I'm listenin', tell me more Tastes just like cotton candy My hands get sticky when we Sucker ass, niggaz just fall off Fall in love then wanna marry Not me though, let the games begin Never ever save me in your cell phone At the end of the day, homegirl That's how we win Your description's got my attention I think I'm with it just for tonight No commitment, we just takin' it Boy, you got this just for tonight Ooh, I think I'm gonna like this, baby Come and tell me more, tell me more And when you said do it, know you can live up to it Now here's your chance to prove it I'm listenin', tell me more Ooh, I think I'm gonna like this, baby Come and tell me more, tell me more And when you said do it, know you can live up to it Now here's your chance to prove it I'm listenin', tell me more
