

# All You Need to Know (feat. Calle Lehmann)

## Gryffin & SLANDER

Simple as can be  
I got your hands in mine  
And you don't have to listen carefully  
I'll tell you a thousand times  
Anything you feel, put it all on me  
All of your thoughts, I want everything  
And when you get sad, like you do sometimes  
Put it all on me  
Put it all on me  
I'll lift you when you're feeling low  
I'll hold you when the night gets cold  
You'll never have to be alone  
And that's all you need to know  
No love lost, we've got you and I  
No clouds, we shoot 'em off the sky  
You'll never have to be alone  
And that's all you need to know  
And that's all you need to know  
And that's all you need to know  
Simple as can be  
I'm gonna be around  
And you know we got everything we need  
Look at this thing we found  
Anything you feel, put it all on me  
Your fears and your thoughts, give me all of it  
And when you get sad, like you do sometimes  
Put it all on me  
Put it all on me  
I'll lift you when you're feeling low  
I'll hold you when the night gets cold  
You'll never have to be alone  
And that's all you need to know  
No love lost, we've got you and I  
No clouds, we shoot 'em off the sky  
You'll never have to be alone  
And that's all you need to know  
And that's all you need to know  
And that's all you need to know  
Simple as can be  
I got your hands in mine  
And you don't have to listen carefully  
I'll tell you a thousand times

And that's all you need to know  
I'll lift you when you're feeling low  
I'll hold you when the night gets cold  
You'll never have to be alone  
And that's all you need to know  
No love lost, we've got you and I  
No clouds, we shoot 'em off the sky  
You'll never have to be alone  
And that's all you need to know  
And that's all you need to know  
And that's all you need to know  
I'll lift you when you're feeling low  
I'll hold you when the night gets cold  
You'll never have to be alone  
And that's all you need to know  
No love lost, we've got you and I  
No clouds, we shoot 'em off the sky  
You'll never have to be alone  
And that's all you need to know  
And that's all you need to know
