

Get In the Mind Shaft

Jack White

When I was young
I went to an abandoned house
In one of the rooms
I found an old piano
I didn't know how to play piano
So I just fumbled across the keys
Pressed the pedals down I sat there for hours
Trying to understand how to
Construct a melody
My brain to my finger tips
And after a while
I hit three notes together
At the same time
Let's try it
Can you hear me now? Am I invisible to you?
Out of the blue now
Out of the blue now Can you hear me now?
Am I invisible to you?
Get in the mind shaft Can it be? Can it be?
Can it be? Can it be?
Ah, Ah, Ah, Ah Can you hear me now?
Get in the mind shaft
Get in the mind shaft Come inside
Come inside
Can you hear me now?
Deep inside me, now Ah, Ah, Ah, Ah Get in the mind shaft
Can you hear me now?
