

# Slow Dancing in a Burning Room

[Lindsay Ell](#)

It's not a silly little moment  
It's not the storm before the calm  
This is the deep and dying breath of  
This love that we've been working on  
Can't seem to hold you like I want to  
So I can feel you in my arms  
Nobody's going to come and save you  
We pulled too many false alarms We're going down (down)  
And you can see it too  
We're going down (down)  
And you know that we're doomed  
My dear, we're slow dancing in a burning room  
I was the one you always dreamed of  
You were the one I tried to draw  
How dare you say it's nothing to me  
Baby, you're the only light I think I ever saw  
I'll make the most of all the sadness  
You'll be a ... because you can  
You try to hit me just to hurt me  
So you leaving me feeling dirty  
'Cause you can't understand We're going down (down)  
And you can see it too  
We're going down (down)  
And you know that we're doomed  
My dear, we're slow dancing in a burning room Go cry about it, why don't you  
Go cry about it, why don't you  
And go cry about it, go cry about it  
My dear, we're slow dancing in a burning room  
Don't you think we ought to know by now  
Don't you think we should've learned somehow  
Don't you think we ought to know by now  
Don't you think we should've learned somehow  
Don't think we ought to know  
Don't think we ought of had to learn somehow
