

Lines (feat. Ramriddlz)

Allan Kingdom

Allan Kingdom, Ramriddlz (oh, yeah yeah)
Allan Kingdom, Ramriddlz (oh, yeah yeah)
To my kingdom (Mister Ramride) When the night too young, don't get too sprung
 Baby come inside
 Baby just push that back, sit down, relax
 Enjoy the ride
 My cup on lean and my blunt on green
 So baby don't get too high
 If you want to lay up with me
 Baby just get in line
 I told her this the vi-i-ibe, vi-i-ibe
 Hit the streets, I'm going li-i-ive
 Don't waste your time with makeup
Because whenever I splash the ass gon' stay up
 I'm gonna tell her hey, or you gotta wait up
I took a turn for the worse but that's my nature
 She let them niggas stain duress
 The type of man give you major rush
 She fuck with gangsters, wanted a major
When I got in her brain she wouldn't leave, oh
 She like the diamonds that go with no fuss
 She like my flow so fuck it, we gon' fuck
So baby when the night too young, don't get too sprung
 Baby come inside
 Baby just push that back, sit down, relax
 Enjoy the ride
 My cup on lean and my blunt on green
 So baby don't get too high
 If you want to lay up with me
 Baby just get in line L-i-ine, l-i-i-ine
 L-i-ine, l-i-i-ine Told her get in li-i-ine
 And fly-y-y
 Before I blow like dynami-i-ite
 Put your pussy on me, I wanna ri-i-ide
 Take you on a plug and get you ri-i-ight
 Get it the long way, get it the strong way
If this wonderful sticky then it's your song, hey
 I said I want to get into them derrions
Oh yeah, melaninin, a melen I been feeling on So baby when the night too young, don't get too
 sprung
 Baby come inside
 Baby just push that back, sit down, relax

Enjoy the ride
My cup on lean and my blunt on green
So baby don't get too high
If you want to lay up with me
Baby just get in lineL-i-ine, l-i-i-ine
L-i-ine, l-i-i-ineDon't say that you don't feel no ways
'cause I know you're feeling this right now
Don't say that you don't wanna stay
'cause I know you're feeling this right nowDon't get too sprung
When the night too young
When the night too young, don't get too sprung
When the drink too strong, don't get too drunk
When the drugs too strong, don't get too gone
Oh when the night too young, don't get too sprung
When the drink too strong, don't get too drunk
When the drugs too strong, don't get too gone
Don't get too gone
Don't get too sprung
Don't get too drunk
Don't get too gone
Don't get too gone
