## **Byob**

## Yung Joc

Joc, Joc don't stop, oh my God, you're so hot Catch me on your block with 4 glocks and 4 shots Bet you niggas know not, try me like a hoe not

Niggas run in, kick the door, fuck a door knockGotta make the quarter, I mix it with the soda I chop the dope and sell it with the Razor Motorola

Hold up 'fore I have to load up, hollow tips as they explode up

Leave you pussy niggas wet as chocha stankin? with the odorBring your own beer to the party, alright

Bring your own beer to the party, alright Bring your own beer to the party, motherfuckers

? Cause I heard you came to have a good time, alrightAlright, alright, alright

(Ah, let's go)

Alright, alright, alright

(Ah, let's go)

Alright, alright, alright

(Ah, let's go)

Alright, alright, alright

(Ah, let's go, motherfucker) Yeah, Yung Joc so jiggy, Learjet to your city

Monday night, Magic City, thunderstorm when I'm tippin?

Ice game, Super Nifty, super kush, two for fifty

Fat boy yellin? out, pop bottles 'til I'm tipsyI like my chick booty big-o, lay my head on them big ole's

Put her on her tiptoes, I get up in the middle

I don't wine them, dine them, or rest have 'em

I'm the number 1 playboy, I press play andBring your own beer to the party, alright

Bring your own beer to the party, alright

Bring your own beer to the party, motherfuckers

? Cause I heard you came to have a good time, alright

Alright, alright, alright

(Ah, let's go)

Alright, alright, alright

(Ah, let's go)Alright, alright, alright

(Ah, let's go)

Alright, alright, alright

(Ah, let's go, motherfucker)Party like a rock star, better yet, block bar

Lighter to the ceiling, grab a beer, pop the top boy

I.F. so clear, freezer burn both ears

Elders say, oh dear, when they hear I'm nearRubber burn, first gear, platinum on my first year Wood on my sheer, put my wood all in her grill

Roof on fire, sound the alarm

We don't need water, let the motherfucker burnBring your own beer to the party, alright
Bring your own beer to the party, alright

Bring your own beer to the party, motherfuckers? Cause I heard you came to have a good time, alrightAlright, alright, alright (Ah, let's go)

Alright, alright, alright, alright (Ah, let's go)Alright, alright, alright (Ah, let's go)

Alright, alright, alright (Ah, let's go, motherfucker) 5 4 3 2, R 2 D 2

Let me see your robot, a little dance that we do

High right, low left, I'm hype with no help

On cloud 9, heart racin? like CorvetteI need a material girl in a material world Give me slim on the backseat of my Imperial, girl

Go and show me what you work with, girl, that's a perfect fit Hold up, stop, it hurts when you twist itBring your own beer to the party, alright Bring your own beer to the party, alright

Bring your own beer to the party, motherfuckers? Cause I heard you came to have a good time, alrightAlright, alright, alright (Ah, let's go)

Alright, alright, alright (Ah, let's go)Alright, alright, alright, alright (Ah, let's go) Alright, alright, alright (Ah, let's go, motherfucker)
