## **Combustion**

## Meshuggah

No more ifs, no bias, no ambiguity No wondering whether this is it Clarity so brightly shining The image so painfully absoluteNo edges blurred on this awareness No unknown weight to tip the knowledge scales Eyes dilated to grasp it all As every illusion of what we are failsAn unquestionable picture - determined, complete Its crystalline lines untouched by doubt So vivid, so deprived of hesitation Shining in its evil splendor The burning hatred of man A million degrees on display Human voracity delineated The demons in us all by fumes portrayedStare, see, take in, grasp Comprehend, assimilate, behold your reflection The framing - gold plated lies The canvas - hurting souls caught and weaved The artist - the human dream Incinerated, devoured, deceived
