

# Nothing Sacred

## Jonatha Brooke & The Story

It would take a wide net  
to drag that deep  
through all the years  
the years I believed you  
You'd be hard-pressed  
to face the fact  
of all the lies  
and the fears that deceived you  
But you say it doesn't matter now  
being jealous  
nothing standing in your way  
But you forgot to mention how  
you were done with me  
It's not your problem anymore  
To be true, to be kind  
to never walk away  
And it's true you were blind  
no matter what I would say  
to you  
is there nothing sacred  
to you  
I will turn my back  
to the wind in your wake  
to the cold shards of the life strewn behind you  
Your record scratched and these lines will break  
through the drone of time  
till their meaning will find you  
But you say it doesn't matter now  
being jealous  
nothing standing in your way  
Did I forget to mention how  
I'm done with you  
It's not my problem anymore  
To be true to be kind  
to never walk away  
And it's true you were blind  
no matter what I would say  
to you  
is there nothing sacred  
to you  
To be true to be kind  
to never walk away

and it's true you were blind  
no matter what I would say  
to you  
is there nothing sacred  
nothing sacred
