

# Girls and Boys

## Blur

Street's like a jungle  
So call the police  
Following the herd  
Down to Greece  
On holiday  
Love in the Nineties  
Is paranoid  
On sunny beaches  
Take your chances  
Looking for  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone, you really love  
Avoiding all work  
'Cos there's none available  
Like battery thinkers  
Count your thoughts  
On one, two, three, four, five fingers  
Nothing is wasted  
Only reproduced  
You get nasty blisters  
Du bist sehr schön  
But we haven't been introduced  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone, you really love  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone to really love  
Looking for  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone, you really love  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls

Who do girls like they're boys  
Always should be someone, you really love  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone, you really love  
Girls who are boys  
Who like boys to be girls  
Who do boys like they're girls  
Who do girls like they're boys  
Always should be someone to really love  
Oh oh oh oh oh oh  
Oh oh oh oh oh oh
