

# Down Boys

## Warrant

Certain things ya do really make me mad I must confess  
The way the street light sihlouettes your thighs inside your dress  
Wild child in the streets I think I've seen you but I really don't know  
One million miles an hour headed out to where the down boys go  
Whoa, can we rewind to  
where we've been  
Ooo i wish you'd take a look and see the shape I'm in. Where the down boys go?  
Where the down boys go?  
Where the down boys go?  
I wanna go where the down boys go baby. You comb your hair put on your shades you look real  
cool.  
You're givin' me the runaround making me feel like a fool.  
Got a lot of nerve to call me cheap even though it's true.  
I don't care where go tonight take me along with you.  
Whoa, can we rewind to where we've been  
Ooo i wish you'd take a look and see the shape I'm in. Where the down boys go?  
Where the down boys go?  
Where the down boys go?  
I wanna go where the down boys go baby. Certain things ya do really make me mad I must  
confess  
The way the street light sihlouettes your thighs inside your dress  
Whoa, can we rewind to where  
we've been  
Ooo i wish you'd take a look and see the shape I'm in. Where the down boys go?  
Where the down boys go?  
Where the down boys go?  
I wanna go where the down boys go baby.  
Where the down boys go?  
Where the down boys go?  
Where the down boys go?  
Where they go?
