

Completely

Among the Thirsty

I'm feeling so small
I'm standing here weeping
as I'm coming clean
of the secrets I'm keeping
cause I've caused so much pain
to the ones I love most
and I'm falling apart
as I carry my heart to Your throne
I am completely surrendering
finally giving You everything
You're my Redeemer
I run to the cross because You are more than enough
Lord, complete me
cause I'm Yours completely
I'm letting go
there's nothing I own
the treasures I held just weigh down my soul
There's nothing left
inside of me
but I'm longing for you and I'm longing to be
the man that You need
Oh, I am completely surrendering
finally giving You everything
You're my Redeemer
I run to the cross because You are more than enough
Lord, complete me
cause I'm Yours completely
But I let Your gifts take the place of You
but You pulled up my selfishness from its roots
I am a broken and fragile me
But I'm where You want me to be
I am completely surrendering
Finally giving you everything
You're my Redeemer
I run to the cross because You are more than enough
Lord, complete me
cause I'm Yours completely
Lord, complete me
cause I'm Yours completely
