

# Another Perfect Day

## American Hi-Fi

I'm holdin' on  
waiting for your call  
it's simple but I can't explain this  
I'm sinking down  
I feel like I could die  
I'm fallin' off I don't know why  
I still believe it when you say it's another perfect day, another perfect day  
I still believe it when you say it's another perfect day, another perfect day So I might try to leave  
it all behind  
I know tomorrows not so bright now  
I'll say goodbye  
'cause nothing good can last  
you wear and fade your no where fast  
but today  
I don't know how  
to keep it all inside  
but i guess I'll let it slide I still believe it when you say it's another perfect day, another perfect  
day  
I still believe it when you say it's another perfect day, another perfect day today I don't know  
why  
I thought that it was real  
but I guess it's no big deal  
I still believe it when you say it's another perfect day, another perfect day  
I still believe it when you say it's another perfect day, another perfect day I don't know how  
I don't know how  
I don't know how to let it slide...
