

The First Time

Surface

You know I won't forget the times we shared together holding hands
and walking in the park
Sometimes we'll have to do it all again
We were so happy then
I've no regrets
Can't you tell from the look on my face that I love you more today
The first time I looked into
your eyes I cried
Do you remember the first time we fell in love
You looked into my eyes
Wiped the tears away
The first time when we fell in love
Although some time has passed
I still remember just like it was yesterday
The time is moving fast
The love I have for you
Time won't ever change
I always feel the same
Now until the end
Memories we share will live forever
Deep inside my heart I know I'll never forget.
The first time I looked into your eyes I cried
Do you remember the first time we fell in love
You looked into my eyes
Wiped the tears away
The first time when we fell in love
Music Bridge
The first time I looked into your eyes I cried
Do you remember the first time we fell in love
You looked into my eyes
Wiped the tears away
The first time when we fell in love
Oh when we fell in love
