

# Whatever's Written In Your Heart

Gerry Rafferty

Yeah, night and day, night and day  
Wakin' up here on a rainy day  
I swore last time that I would stay away  
I came down here to talk to you  
I said this time I might get through  
I heard her speak but all the words were dead  
We talked all night and left it all unsaid  
So we agree to disagree  
At least we've got our memory (chorus)  
Whatever's written in your heart, that's all that matters  
You'll find a way to say it all someday, yeah  
Whatever's written in your heart, that's all that matters  
Yeah, night and day, night and day  
You've got your secrets, yeah, and I've got mine  
We've played this game now for a long, long time  
You don't lean on anyone  
You never had no place to run  
You never wanted me to get too close  
We love and hate the ones we need the most  
I tried to find a way to you  
One thing I could say to you  
Whatever's written in your heart, that's all that matters  
You'll find a way to say it all someday, yeah  
Whatever's written in your heart, that's all that matters  
Yeah, night and day, night and day  
Maybe I've always set my sights too high  
You take the easy way and still get by  
I know there ain't no special way  
We all get there anyway  
I heard her speak but all the words were dead  
We talked all night and left it all unsaid  
So we agree to disagree  
At least we've got our memory  
Whatever's written in your heart, that's all that matters  
You'll find a way to say it all someday, yeah  
Whatever's written in your heart, that's all that matters  
Yeah, night and day, and day  
Yeah, night and day, and day  
Yeah, night and day, and day  
Yeah, night and day, and day  
Yeah, night and day, and day  
Yeah, night and day, and day  
Yeah, night and day, and day  
Yeah, night and day, and day... (whatever's written in your heart)  
(repeat and fade out)
