

Only In California

Mack 10

Speak on it, my nigga, speak on it
(And my heat goes)Only in California
Where niggaz pull heat and run upon ya
(Get your grind on)
Only in California
(California)
(Get your grind on)
Where niggaz pull heat and run upon ya
(Run upon ya)
Ice Cube, the mutherfuckin' don
Snoop Doggy Dogg, a.k.a. Tha Doggfather
Mack 10, alias the Chicken Hawk, gangstas with rules
'Cause you the niggaz with no rules
(California)
Ain't got nothing to lose, we got everything to loseThrew his ass in, he feel the fin of the
barracuda
I negotiate, "Mack is the shooter"
You the nigga on the journey strapped to this gurney
We break breads with accounts and attorneysCurrency never worry me
Who's got the balls to murder me?
Degree higher than a 33, tell 'em what you drank
Never tell 'em what you thinkin', never tell 'em where the body stankin'Fuck Lincoln, fuck
Jackson, Bankin Franklin, what you thankin'?
Hope your man come with the ransom
Let me see you dance on, no longer handsome
If you don't drop off then walk off, watch him, watch him
Only in California
(Speak on it)
Where niggaz pull heat and run upon ya
Only in California
(California)
Where niggaz pull heat and run upon ya
(Run upon ya)
(Hey don't fuck)Them West Coast niggaz is real set trippas
[Incomprehensible] zippas on a quest for them chippas
Slidin' while we ridin', not even hittin' switches
Hangin' at the high school gettin' at them young bitchesI got the dove sacks, homies love that
"Nigga, where the bud at?" Hollering at my big homeboy who fresh out
Hangin' at my grand mama house, homie burnt out
What you gonna do when you get out of jail?I'm gonna have some fun
What do you consider fun? An ounce and about five hun
So I put him on a move that I knew about

Hooked him with a homegirl from the South, good lookin' out
Money made, plug a playa in the
game

Especially when he represent the same thing I claim

Damn, they don't make niggaz like they used to

That's probably why I keep a tight grip on my deuce, deuce

'Cause everybody wanna be a star in the city of dope, a.k.a. Caviar
Only in California

Where niggaz pull heat and run upon ya

Only in California

(California)

Where niggaz pull heat and run upon ya

(Run upon ya) What have we? A house full of cavi? No, stress

Well known ridas from different sides of the West

Got the hi-zoes lickin' up so hard, we stickin' up

Niggaz tired of the bullshit so we all clic it up
Nigga, please, we ain't trippin' off C's and B's

It's the Westside Connect with the DPG's

For the cheese we jab with the gift of the gab always cappin'

Mack, Cube and Snoop rappin', now, how did that happen?
It's all good, fool so peep game if

you could

Snoop be from Long Beach and I be from Inglewood

Now, you despise 'cause it came to yo surprise

Two well known enemies now becoming allies
In Californ-I-A we parlay the G way

Some wear red and black and some sport blue and gray

Well, gangstas don't dance, we hang boogie and bang

So it's the Westside Connect with the Dogg Pound Gang
Only in California

Where niggaz pull heat and run upon ya

Only in California

(California)

Where niggaz pull heat and run upon ya

(Run upon ya) There we have it, Ice motherfuckin' Cube, the big fish

Rollin' with the atomic dog, Snoop Doggy Dogg

Down with the ring leader, Mack motherfuckin' 10

Coming back once again, nigga, we make and spend, nigga
And my heat goes, and my heat goes

And my heat goes, and my heat goes
And my heat goes

Boom boom boom, boom boom boom

And my heat goes

Boom boom boom, boom boom boom
And my heat goes

Boom boom boom, boom boom boom

And my heat goes

Boom boom boom, boom boom boom

And my heat goes, I'll be dammed

[Incomprehensible]
