

# Troublemaker

Taio Cruz

I saw when you arrived looking like a supermodel  
Your ass from the side looks just like a coke bottle  
I love the way you rock, put that thing on full throttle  
So get, get get get up on the saddle I wanna see you moving like they're moving in Jamaica  
Pretend that I am dinner you can be my salt shaker  
You ain't tryin' to hide it girl you're a troublemaker  
And I'm a troublemaker maker maker maker maker I throw my hands up if you believe in me  
now

I keep my hands up and do it all for the now  
Sing it oh oh ah ah oh oh ah ah oh oh ah ah oh oh ah ah  
Sexy little mama, it's really nice to meet you  
Can I be in your classroom and be your private teacher  
If I bring out my camera will you be in my feature  
'Cause we're gonna do some things  
Hope your daddy ain't a preacher I wanna see you move like they're moving in Jamaica  
Pretend that I am dinner you can be my salt shaker  
You ain't tryin' to hide it girl you're a troublemaker  
And I'm a troublemaker maker maker maker maker I throw my hands up if you believe in me  
now

I keep my hands up and do it all for the now  
And sing out oh oh ah ah oh oh ah ah oh oh ah ah oh oh ah ah I love the way you dance oh, it  
makes me crazy

I wanna see you move so just let it go, baby  
I feel like we can do this if you wanna go with it  
Let's take it to the top p-p-push it to the limit  
Take it to the top p-p-push it to the limit,  
To the limit, to the limit to the limit, limit, limit  
I throw my hands up if you believe in me now  
I keep my hands up and do it all for the now  
And sing out oh oh ah ah oh oh ah ah oh oh ah ah oh oh ah ah  
Oh oh ah ah oh oh ah ah oh oh ah ah oh oh ah ah
