

# Holding On

## The War on Drugs

Once I was alive and I could feel  
I was holding on to you  
And I redefined the way I looked at dawn inside of you I went down a crooked highway  
I went all outside the line  
I've been rejected, now the light has turned and I'm out of time Ain't no way I'm gonna last  
Hiding in the seams, I can't move the past  
Feel like I'm about to crash  
Riding on my line, keep keeping on Once we were apart and I could see red  
Never trying to turn back time  
Never meant to bring my pain to the front and into your life Now I'm headed down a different  
road  
Can we walk it side by side?  
Is an old memory just another way of saying goodbye?  
Ain't no way I'm gonna last  
Hiding in the seams, I can't move the past  
Feel like I'm about to crash  
Riding the same line, I keep keeping on I ain't never going to change  
He'll never get in line  
I keep moving on the path, yeah  
Holding on to mine When you talk about the past  
What are we talking of?  
Did I let go too fast?  
Was I holding on too long? Ain't no truths from the past  
As silent as the sea  
Am I holding on too long?  
But you're right in front of me  
And I'm moving on a cast  
Shadows on my seam  
I keep moving to changes, yeah  
Ooh Heart or hope  
Heart or hope  
Heart or hope  
Heart or hope
