

# No Matter What

Calum Scott

[Verse 1]

When I was a young boy I was scared of growing up  
I didn't understand it but I was terrified of love  
Felt like I had to choose but it was outta my control  
I needed to be saved, I was going crazy on my own  
Took me years to tell my mother, I expected the worst  
I gathered all the courage in the world[Chorus 1]

She said, "I love you no matter what  
I just want you to be happy and always be who you are"  
She wrapped her arms around me  
Said, "Don't try to be what you're not  
Cause I love you no matter what"  
She loves me no matter what

[Verse 2]

I got a little older wishing all my time away  
Riding on the pavement, every sunny day was grey  
I trusted in my friends then all my world came crashing down  
I wish I never said a thing cause to them I'm a stranger now[Bridge]  
I ran home I saw my mother, it was written on my face  
Felt like I had a heart of glass about to break[Chorus 1]

She said, "I love you no matter what  
I just want you to be happy and always be who you are"  
She wrapped her arms around me  
Said, "Don't try to be what you're not  
Cause I love you no matter what"  
She loves me no matter what

[Verse 3]

Now I'm a man and I'm so much wiser  
I walk the earth with my head held higher  
I got the love that I need

But I was still missing one special piece

My father looked at me[Chorus 2]

He said I love you no matter what  
I just want you to be happy and always be who you are  
He wrapped his arms around me  
Said, "Don't try to be what you're not  
Cause I love you no matter what"

He loves me no matter what They love me no matter what
