Cool Head (feat. Kid Cudi)

Travis Barker

Relaxed and I'm thinking did I forget to mention I'm sitting on a location, I call it new station Destructing my best hope is Motherfuckers ain't got no life, no vision, no ambitionNo will to do a damn thing, they often spit easy And talk down on a nigga make it shinin' How is that bubbly? So menstrual psychology Tamponing, stressful, overloaded jealous niggas I'm in my own world, literally no bullshit, babyI keep a cool head, I keep a cool head now, whoa I keep a cool head, I keep a cool headAin't nobody tripping on, I'm cool, relax I keep my mojo on, damn, no turning me off I keep making that money, that money, that money Yeah, keep my mojo on, damn, no turning me off Ain't nobody tripping on, I'm cool, relax I, I keep my mojo on, damn, no turning me off I keep making that money, that money, that money, yeah I keep my mojo on, damn, no turning me offI keep a cool head, I keep a cool head now, whoa I keep a cool head, I keep a cool head now, whoa I keep a cool head, I keep a cool head now, whoa I keep a cool head, I keep a cool headThey stay living right in their own lies In their own gaze, in their holes We see beyond the hate, we see a poor soul Who hasn't been told they only know what they've been shownThey stay living right in their own lies In their own gaze, in their holes We see beyond the hate, we see a poor soul Who hasn't been told they only know what they've been shown I keep a cool head, I keep a cool head now, whoa I keep a cool head, I keep a cool head now, whoa I keep a cool head, I keep a cool head now, whoa I keep a cool head, I keep a cool head Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
