Romeo

[Until The Ribbon Breaks](...)

First in line
For the wishing well, well, well
For a long time
Can't you tell?
First in line
Give me a new start
Give me a new page
You see I would have killed Romeo, and saved Juliet
But I don't write stories, no, that time won't forget
So won't you pass me the kerosene
Let's burn to the ground
You've been looking for meaning
Did you like what you found?
Forgive me, I've been lonely
But it is not like I don't know my way
I don't know my way
Oh look at you all shining
And didn't you do well, well, well, well
For a long time
How could I tell you my secret?
I don't know where to go from here
Give me a new page
There are some things, that will never change
You see I would have killed Romeo, and saved Juliet
But I don't write stories, that time won't forget
So won't you pass me the kerosene
Let's burn to the ground
You'v been looking for meaning
Did you like what you found?
Forgive me I've been lonely
But it is not like I don't
Know my way, but I don't know why
Oh Romeo, Oh Romeo, Oh Romeo, Oh Romeo, Oh Romeo...
Forgive me, I've been lonely
But it is not like I don't know my way
And I don't know my way
