

The Red Carpet Grave

Marilyn Manson

They call her,
Bulldozer speech demon without distractions of hope
She makes the
depression business look surprisingly novel and she's not just royal Allegedly loyal
but unfaithful but she has no faith in me
Inhale the damage smoothly Paradise isn't lost
It was hiding all along There's the ones that you love
The ones that love you
The ones that make you come
The ones that make you come unglued I can't turn my back on you
When you are walking away
Bottomless celebrity scar staged circuses for schoolgirls
boys are all dressed up like a mediocre suicide omen here comes the red carpet grave Again and
again and again
Oh man There's the ones that you love
The ones that love you
The ones that make you come
The ones that make you come unglued I can't turn my back on you
When you are walking away I can't turn my back on you
When you are walking away can't turn my back on you
When you are walking away There's the ones that you love
The ones that love you
The ones that make you come
The ones that make you come unglued
There's the ones that you love
The ones that love you
The ones that make you come
The ones that make you come unglued It's easy to beat the system
but a hard time beating the symptoms but a hard time beating the symptoms I can't turn my back
on you
I can't turn my back on you
I can't turn my back on you
When you are walking away Here comes the red carpet grave
Again and again and again Here comes the red carpet grave
Again and again and again
Oh man
