

AC/DC (Live 1976)

The Sweet

She got girls, girls all over the world
She got men every now and then
But she can't make up her mind
On just how to fill her time
But the only way she can wind A. C. D. C.
She's got some other lover as well as me
A. C. D. C.
She's got some other women as well as me
She's got some other women as well as me She's got phone but they call her a bump
She got sick you wanna see her dingling
Well let's be in it together
I'll guess she'll be in it forever
You've got to take it now and ever
A. C. D. C.
She's got some other lover as well as me
A. C. D. C.
She's got some other women as well as me
She's got some other women as well as me She got girls, girls all over the world
She got men every now and then
But she can't make up her mind
On just how to fill her time
The only way she can unwind A. C. D. C.
She's got some other lover as well as me
A. C. D. C.
She's got some other women as well as me
She's got some other women as well as me
She's got some other women as well as me
A. C. D. C.
Some other woman as well as me
A. C. D. C.
Some other woman as well as me
A. C. D. C.
Some other woman as well as me
