

All I Know of Love (feat. Josh Groban)

Barbra Streisand

Once I found a perfect love
And you showed me everything there was to know of love
Time will not betray the truth
And for all the years we've shared I celebrate with you
For you.

Un giorno t' incontrai [one day I met you
And me.

Pensai, "adesso lei"
Will be.

D' allora insieme noi
Forever

You are all I know of love
How could I ask for more
You're everything i'm dreaming of
You're all I need from love
And every star above
Spells out your name
I swear i'll always feel the same
You're all I want.

From love.

All I want from love.

Dimmi
Hmm.

Che è per l' eternità
Like a memory

'mi terrai ad abitare nei pensieri tuoi
Con te

You are my only heart
In te

I loved you from the start
Noi due

Together not apart
Forever.

You are all I know of love
How could I ask for more
You're everything i'm dreaming of
You're all I need from love
And every star above
Spells out your name
I swear i'll always feel the same
You're all I want.

From love.

You're all I want from love
Pensami
I think of him
Perche' io sogno te [because I dream of you
You'll be with me
Due cuori ed un anima [two hearts and one soul
Guariti e liberi
I live my whole life
I'll live my life
To be with you
You'll always be the one who taught me everything
My heart knows to be sure
My heart knows you
You're all I know of love
How could I ask for more
You're everything i'm dreaming of
You're all I need from love
And every star above
Every star above
Spells out your name
I swear i'll always feel the same
You're all I want.
From love
You're all I want from love
You're all I know of love
