## Spoons (feat. MNEK & Syron)

## **Rudimental**

This is when I lose my balance This is when I lose all control This is when I find the challenge The challenge I can call my ownIt's hard to fight a battle When all my weapons are so far Out of reach and balance And I forget who you are(Pre-) I think I'm about to fall I think I'm about to fall I think I'm about to fall Deeper and deeper, whoa Deeper and deeper, whoaThis is where I find my balance This is the way I gain all control Now that I can leave my challenge The challenge I don't need no moreIt's hard to fight a battle When I've been stretched out way too far Out of reach and balance Now I regret who you are (Pre-) I think I'm about to fall I think I'm about to fall I think I'm about to fallDeeper and deeper, whoa Deeper and deeper, whoaForget Out of reach and balance Now I... forget **Forget** Deeper Forget Forget
