

# walk away as the door slams

## Lil Peep & Lil Tracy

[Pre-Hook: Lil Peep]

Club lights, we fight every night  
Baby, I don't wanna do that  
Your type, jeans tight, dirty Sprite  
She like "how the fuck you do that?"  
I can't be there all the time  
But you know I gotta prove that  
I can't leave here anytime soon  
I got somethin' to do, yeah[Hook: Lil Peep]  
Walk away as the door slams  
You got blood on your poor hands  
I just wanted to help, now I'm goin' to hell  
Walk away as the door slams

[Verse: Lil Tracy]

I know you wanna Facetime, baby, I have Samsung  
When I met your mom, she told me I was handsome  
You told me I'm sexy, do you still think that?  
You told me you loved me, do you still think that?  
3AM, climbin' through your window  
Ounce of the kush, blowin' smoke out your window  
You're a thousand miles away, I snort a thousand lines  
Step inside the club, cameras flashin' in my eyes  
3AM, climbin' through your window  
Ounce of the kush, blowin' smoke out your window  
You're a thousand miles away, I snort a thousand lines  
Step inside the club, cameras flashin' in my eyes
