

Isla Vista Worship

[Verse 1]

When it came to words like "I surrender"
 I didn't do what I would pray
 Living my life watching the weather
 Wasting time and chasing fate
 I look at the life I'd been designing
 Waiting around for my breakthrough
 But I'm pushing my dreams to the side of me
 'Cause they can't love me like You do

[Chorus]

I give You my all
 I give You my all
 And I'm not running anymore
 I give You my all
 I'm giving You all of me, all of me
 Oh, I give You my all
 Yeah, I'm not running anymo-o-ore
 I give You my all
 I'm giving You all of me, all of me [Verse 2]

Father

I need You to search my heart
 Coming on back to surrender
 Show me where to start, yeah
 All I want is to be abiding
 'Cause You show me a different view
 What I had was less exciting
 'Cause dreams don't love me like You do

[Chorus]

I give You my all (Hey)
 I give You my all
 I'm not running anymore (No, no, no, no)
 I give You my all
 I'm giving You all of me, all of me
 Oh-oh, I give You my all
 And I'm not running anymore (No, no, no, no)
 I give You my all
 I'm giving You all of me, all of me [Bridge]

Pause - why would I make plans

Push away Your hand?

Alone I can't stand

Stop - Your plan is my choice

Tune out all the noise

I can hear Your voice
And I don't wanna run (No)
I don't want control
And I don't wanna run
I don't want control (No, no, no)[Chorus]
I give You my all (All, ey)
I give You my all (Yeah)
And I'm not running anymo-o-ore (No)
I give You my all
I'm giving You all of me, all of me (Oh-oh)
Oh, I give You my all (Hey)
Yeah, I'm not running anymore (No, no, no, no) (Hey)
I give You my all
I'm giving You all of me, all of me (I'm not running)
