

# Everywhere

## Chaka Khan

Can you hear me calling  
Out your name  
You know I'm falling  
And I don't know what to say I'll speak a little louder  
I'll even shout  
You know that I'm proud  
And I can't get the words out Oh I, I want to be with you everywhere  
Oh I, I want to be with you everywhere  
Wanna be with you everywhere Something's happening  
Happening to me  
My friends all say  
I'm acting peculiarly  
C'mon baby  
We better make a start  
You better do it soon  
Before you break my heart Oh I, I want to be with you everywhere  
Oh I, I want to be with you everywhere  
Wanna be with you everywhere Can you hear me calling  
Out your name  
You know I'm falling  
And I don't know what to say Come along baby  
We better make a start  
You better do it soon  
Before you break my heart  
Oh I, I want to be with you everywhere  
Oh I, I want to be with you everywhere  
Oh I, I want to be with you everywhere  
Oh I, I want to be with you everywhere  
Wanna be with you everywhere
