

# Number One (feat. Tory Lanez)

## Massari

[Intro]

Moving slow, at your pace  
Speed it up, I know you want to  
Got my hands, on your waist  
You can tell, that I want you  
I can keep up with you babe  
No other man, can do what I do  
I can see it, on your face  
Now you know, I gotta tell you[Pre-Chorus]  
I'm fanning your style  
I can tell that you wild  
Nobody can denial

The baddest thing gonna turn anotha

[Chorus]

I seen the way you wanted on your waist  
Baby let her know you number one in out the pace (number one)  
No other mon can keep up with the pace  
Girl now you have tell me where you get the shape (number one)  
The way your body movin' to the base  
Baby let her know you number one in out the pace (number one)  
No other mon can keep up with the pace

Girl you wanna make me do it on and on and (number one)[Verse 1: Tory Lanez]

She got me with the yeah, yeah  
Dirty on me with the yeah, yeah  
All of the time that it take for me  
No, no, no don't you mistake on me  
Now she's screaming to come back  
Now she dance to the one track  
And she know that I roll on the low  
Long as you can keep on the low  
Oh no

[Chorus: Massari & Tory Lanez]

I seen the way you wanted on your waist  
Baby let her know you number one in out the pace (number one)  
No other mon can keep up with the pace  
Girl now you have tell me where you get the shape (number one)  
The way your body movin' to the base  
Baby let her know you number one in out the pace (number one)  
No other mon can keep up with the pace

Girl you wanna make me do it on and on and (number one)[Verse 2]

I wanna know, your fantasies  
So I can see, what we gon' do

We alone, you and me  
I can make, make it come true  
And when I get it in  
Ima give that type of love that you had in a minute, I'm flexing  
Time to undress her  
Now that you know I gotta tell you[Pre-Chorus]  
Girl I'm fanning your style  
I can tell that you wild  
Nobody can denial  
The baddest thing gonna turn another[Chorus: Massari & Tory Lanez]  
I seen the way you wanted on your waist  
Baby let her know you number one in out the pace (number one)  
No other mon can keep up with the pace  
Girl now you have tell me where you get the shape (number one)  
The way your body movin' to the base  
Baby let her know you number one in out the pace (number one)  
No other mon can keep up with the pace  
Girl you wanna make me do it on and on and (number one)
