

# The Last Stand

## Sabatón

In the heart of holy see  
In the home of Christianity  
The seat of power is in danger  
There's a foe of a thousand swords  
They've been abandoned by their lords  
Their fall from grace will pave their path, to damnation  
Then the 189  
In the service of heaven  
They're protecting the holy line  
It was 1527  
Gave their lives on the steps to heaven  
Thy will be done!  
For the grace, for the might of our lord  
For the home of the holy  
For the faith, for the way of the sword  
Gave their lives so boldly  
For the grace, for the might of our lord  
In the name of his glory  
For the faith, for the way of the sword  
Come and tell their story again  
Under guard of 42  
Along a secret avenue  
Castle saint Angelo is waiting  
They're the guard of the holy see  
They're the guards of Christianity  
Their path to history is paved with salvation  
Then the 189  
In the service of heaven  
They're protecting the holy line  
It was 1527  
Gave their lives on the steps to heaven  
Thy will be done!  
For the grace, for the might of our lord  
For the home of the holy  
For the faith, for the way of the sword  
Gave their lives so boldly  
For the grace, for the might of our lord  
In the name of his glory  
For the faith, for the way of the sword  
Come and tell their story again  
Dying for salvation with dedication  
No capitulation, annihilation  
Papal commendation, reincarnation  
Heaven is your destination  
In the name of god  
For the grace, for the might of our lord  
For the home of the holy  
For the faith, for the way of the sword  
Gave their lives so boldly  
For the grace, for the might of our lord  
In the name of his glory  
For the faith, for the way of the sword  
Come and tell their story

Gave their lives so boldly  
Come and tell the Swiss Guards' story again
