The Last Stand

Sabaton

In the heart of holy see
In the home of Christianity
The seat of power is in dangerThere's a foe of a thousand swords
They've been abandoned by their lords
Their fall from grace will pave their path, to damnationThen the 189
In the service of heaven

They're protecting the holy line

It was 1527

Gave their lives on the steps to heaven
Thy will be done!For the grace, for the might of our lord

For the home of the holy

For the faith, for the way of the sword

Gave their lives so boldly

For the grace, for the might of our lord

In the name of his glory

For the faith, for the way of the sword

Come and tell their story againUnder guard of 42

Along a secret avenue

Castle saint Angelo is waiting They're the guard of the holy see

They're the guards of Christianity

Their path to history is paved with salvationThen the 189

In the service of heaven

They're protecting the holy line

It was 1527

Gave their lives on the steps to heaven

Thy will be done!

For the grace, for the might of our lord

For the home of the holy

For the faith, for the way of the sword

Gave their lives so boldlyFor the grace, for the might of our lord

In the name of his glory

For the faith, for the way of the sword

Come and tell their story againDying for salvation with dedication

No capitulation, annihilation

Papal commendation, reincarnation

Heaven is your destinationIn the name of godFor the grace, for the might of our lord

For the home of the holy

For the faith, for the way of the sword

Gave their lives so boldlyFor the grace, for the might of our lord

In the name of his glory

For the faith, for the way of the sword

Come and tell their story

Gave their lives so boldly Come and tell the Swiss Guards' story again
