

Toulouse Street (2016 Remastered)

The Doobie Brothers

Patrick Simmons I'm walkin' in shadows, I cannot see
Faces, they smile when I fall or flee
Doors without windows all shuttered tight again I just might pass this way again
I just might pass this way again
I just might pass this way
I just might pass this way again The night she is hot, Creole girls they sing
My heart, it is pounding, my ears they ring
The spell has been cast down in New Orleans again
I just might pass this way again
I just might pass this way again
I just might pass this way
I just might pass this way again Locked in a room down in New Orleans
My blood is a flowin' fast
Locked in a room down in New Orleans
My blood is a flowin' fast
The night she is hot, Creole girls they sing
My heart, it is pounding, my ears they ring
The spell has been cast down in New Orleans
My blood is a flowin' fast
