

Closure (feat. Szjerdene)

Lapalux

I never meant to bring you trouble
but theres no rainbow without the rain
I try hard to forget about it
all of the colors seem to stay
talk now
its over
im older
can we?
move on now
get closure
lets close our eyes
can we?
talk now
its over
I'm older
Can we?
Move on now
Get closure
Let's close our eyes
You said better late than never baby
But theres one thing that I won't understand
noOoo nah nah nah nah nah
What are you so afraid of?
Is it that everything is gonna change
If life was this unstable
we'd have to go away
Can we?
Talk now
Its over
I'm older
Can we?
Move on now?
Get closure
Let's close our eyes
Talk now
Its over
I'm older
can we?
move on now?
get closure
lets close our eyes
Oooh ohh oh yeah yeah yeah

oOooooOoooooooooOo
HeyyyYyy
HeyyYy
