

# Burn My Shadow (feat. Ian Astbury)

## UNKLE

I have burned my tomorrows  
And I stand inside today  
At the edge of the future  
And my dreams all fade away I have burned my tomorrows  
And I stand inside today  
At the edge of the future  
And my dreams all fade away And burn my shadow away  
And burn my shadow away  
I faced my destroyer  
I was ambushed by a lie  
And you judged me once for falling  
This wounded heart will rise And burn my shadow away  
And burn my shadow away When I see the light  
True love forever  
When I see the light  
True love forever  
When I see the light  
True love forever  
When I see the light  
True love forever  
When I see the light  
True love forever (burn my shadow)  
When I see the light  
True love forever  
When I see the light  
True love forever (burn my shadow)  
When I see the light  
True love forever (away) And burn my shadow away  
And burn my shadow away Oh, how I loved you
