

# Over You

## Daughtry

Now that it's all said and done  
I can't believe you were the one  
To build me up and tear me down  
Like an old abandoned house  
And what you said when you left  
Just left me cold and out of breath  
I fell too far, was in way too deep  
Guess I let you get the best of me Well, I never saw it coming  
I should've started running a long long time ago  
And I never thought to doubt you, I'm better off without you  
More than you, more than you know  
I'm slowly getting closure, I guess it's really over I'm finally getting better  
And now I'm picking up the pieces and spending all of these years  
Putting my heart back together 'cause the day I thought I'd never get through  
I got over you  
You took a hammer to these walls  
Dragged the memories down the hall  
Packed your bags and walked away  
There was nothing I could say  
And when you slammed the front door shut A lot of others opened up, so did my eyes, so I  
could see  
That you never were the best for me  
Well, I never saw it coming  
I should've started running a long long time ago  
And I never thought to doubt you, I'm better off without you  
More than you, more than you know  
I'm slowly getting closure, I guess it's really over I'm finally getting better Now, I'm picking up  
the pieces and spending all of these years  
Putting my heart back together 'cause the day I thought I'd never get through I got over you  
Well, I never saw it coming  
I should've started running a long long time ago  
And I never thought to doubt you  
I'm better off without you, more than you, more than you know  
Well, I never saw it coming  
I should've started running a long long time ago  
And I never thought to doubt you  
I'm better off without you, more than you, more than you know  
I'm slowly getting closure  
I guess it's really over, I'm finally getting better  
Now, I'm picking up the pieces and spending all of these years  
Putting my heart back together  
I'm putting my heart back together

'Cause I got over you  
'Cause I got over you  
I got over you  
'Cause the day I thought I'd never get through  
I got over you
